CITY OF SALISBURY
MARYLAND

CITY HALL

FRANCIS H. DRYDEN
City Engineer

July 11, 1930

Mayor and Council
Salisbury
Md.

Gentlemen:

Your Committee appointed to investigate the water rates for large consumers in the City of Salisbury beg to report that they recommend that the rate to those consuming over 200,000 gallons of water per month or 600,000 gallons per quarter through an individual meter be reduced from 10¢ per M to 7¢ per M, effective July 1, 1930. *in by each of 200,000 gallons per month*

We find that this reduction effects 8 consumers based on the May 1930 meter reading and 7 based on the June 1930 readings.

Yours truly,

W. T. Gardner
John L. Morris
F. H. Dryden

Committee.
